

"Jesus in a Manger"

By Becca Steiner

Key: G

Verse 1:

C
For the days that prayers aren't answered
G
And there's no sign of proof
C
That anyone is listening
G
Or that scriptures hold the truth
C
When the arguments are greater
Em (Dm) Am
Than the evidence I see
D
How could I believe?

Verse 2:

C
There's no way to touch Him
G
This One who some proclaim
C
Was born of a virgin
G
And kept us from the flame
C
The odds are all against
Em (Dm) Am
His resurrection from the grave
D
How could I have faith?

Chorus:

C G
Do you know the One who bore your scars?
C G
Do you see the cross that was the start?
C D Em (Dm) C
Do you feel Him reaching for your heart?
Am D G
Do you hear Jesus in a manger?

Verse 3:

C
When all you see are Christians
G
Who raise their hands in praise
C
Then walk out of the church
G
And live another way
C
It's hard to see what God
Em (Dm) Am
Intended us to be
D
How could He love me?

Verse 4:

C
Can you drown out all the doubts
G
And find your way to faith
C
Can you trust your intuition
G
To lead you to His grace
C
Let Him heal your broken past now
Em (Dm) Am
And be His hands and feet
D
To help the world believe
