

"Salvation Song"

By Becca Steiner

Verse 1:

G
I know who I am and I know who I've become.
Am
And I know all the ways that I've tried to run.
C G (C G)
And I think I need You now, God, more than ever.
G
And I know that I've tried to unlock all life's doors
Am
using keys that I borrowed from the world.
C G (C G)
And I think I need You now, God, more than ever.

Chorus 1:

C D
I believe You are God.
e
I believe you sent Your Son
C D G (C G)
to die for me and give me new life.
C D
And I receive Your Gift of Love
Em
That on my own I'm unworthy of.
C D G
And I ask You to be my Savior forever.

Verse 2:

G
No one's ever given me such hope
Am
like I found when I heard that You loved me so.
C G (C G)
And I know I want You now, God, more than ever.
G
To stand before You knowing that I'm Yours
Am
is something that I used to think I could not afford.
C G (C G)
And I know I want You now, God, more than ever.

Chorus 2:

C D
And I believe You are God.

Em
I receive the things You've done.

C D G (C G)
And I confess that I'm a sinner full of shame.

C D
So, I receive Your Precious Gift

Em
In Jesus' name I ask you this

C D G
that You come and be my Savior forever.

Bridge:

Am C
Take all of me.

C
Set my heart free

Em D7
with the truth that You've always wanted me.

Chorus 3:

C D
And I believe You are God.

Em
I receive You as my Lord

C G (C G)
And I know that You've once again kept Your Word.

So, I acknowledge You as mine

C D G (C G)
For You're now my loving Savior forever.
